

MILITANT SISTERS CREATE DIVERSION

Invade Hyde Park, London,
and Interfere With Demon-
stration of Unionists.

LONDON, April 4.—Suffragettes created a diversion during the Unionist demonstration in Hyde Park today and as a result "General" Mrs. Flora Drummond and the Misses Rogers and Virtue were arrested.

The women, 1000 strong, marched through the London streets to the park. Although the police had not given a permit for the procession, the women forced their way through the crowds gathered at the gates of the park. The paraders were waving the suffragette colors.

Immediately on their entrance to the park, crowds of rowdies charged them. For an hour a fierce fight was in progress, the police repeatedly interfering to save the women from the mob.

Miss Virtue was on the point of being thrown into the river when policemen got her out of the hands of her tormentors.

In the meantime Mrs. Drummond and other speakers, perched on the shoulders of men sympathizers, harangued the crowd, making a particular point of interfering with the Unionist speakers, William Burdett Coutts and William J. Hicks, both members of parliament.

A delegation of twelve Americans, who refused to give their names, marched in the woman's procession, carrying the Stars and Stripes. One of them was identified as Miss Weatherby of Portland, Ore., while their leader described herself as a daughter of a former ambassador to Turkey.

COAST LEAGUE HEAD INSTRUCTS SCORERS

Baum's System Calculated to Remedy Confusion About Pitching Records.

SAN FRANCISCO, April 4.—Scoring instructions have been issued to official scorers over the circuit this year by President Baum. The executive of the Coast league will follow the recommendations of the baseball rules. There are no particular changes, although such as they are will doubtless interest the fans who like to keep tabs. In brief they are as follows:

The Cincinnati base hit is abolished. Sacrifice fly is abolished, and will be labeled sacrifice hit.

Where fly in such case is dropped, batsman is to be credited with sacrifice hit if it is the opinion of the scorer that the man would have tallied on throw in.

Catcher or infielder who attempts to make double play exempted from error for throw, but this does not exempt from error player who drops a thrown ball to complete a double.

In event of attempt to steal base prior to battery error, stolen base shall be credited and battery error charged.

Earned runs not to be summarized, but instead "runs responsible for" to show pitcher's record. In this charge pitcher is not accountable for fielding errors, even one of his own, or passed ball, but held to account for hits, stolen bases, walks and hit by pitcher. Also pitcher removed from game held responsible for men he leaves on bases, in event they score.

In keeping record of men left on bases, when two are out and play is made other than on man at bat, the team is to be charged with one left on bases for man running from plate to first.
